

VALUABLE COVERAGE

- ✓ Coverage for up to 36 months
- ✓ Diagnostics included *
- ✓ Allowance for towing, rental vehicle or accomodation**
- ✓ \$30,000 per claim, \$50,000 per contract

Options availables

- ✓ \$0 deductible
- ✓ \$50,000 per claim

HEAVY-DUTY TRUCKS

Class 8

5

ESSENTIAL COMPONENTS

- Engine
- Turbocharger
- Front and rear diffential
- Automatic transmission
- Seals

Elegibility

Less than 10 years old and up to 1,000,000 km

* If repair is covered within the contract terms and conditions.

** Maximum combined of \$750.

Coverage applies only to repairs expressly covered by the contract. The information presented in this brochure is provided for informational purposes only. It does not constitute an offer or a commitment by Garantie Track Inc. Terms, features, and services are subject to change without notice. In the event of a discrepancy, the warranty contract shall prevail.

✓ OPTIONAL VALUE PACKAGES

✓ Cab Group

Air conditioning and heating components: Compressor • Condenser (excluded if impacted) • Accumulator (filter/dryer) • Compressor clutch • High and low pressure switch • Expansion valve • Heater core • Heater blower motor • Cruise control switch • Door latch actuator • Alternator • Voltage regulator • Starter • Starter solenoid • Turn signal and brake light switches • Power window switches • Light switches • Power seat and heated seat switches • Heated seat element • Interior door lock switches (excluding keyless exterior handles) • Power wiper switches • Front wiper motor (excluding linkage) • Power seat adjustment switch (gears excluded) • Front washer pump • Steering wheel clock spring.

✓ Cooling Unit Rooftop

Roof-mount or front-mount refrigeration unit (factory-installed by the manufacturer only): Control switch and computer • Motor • A/C compressor • Alternator • Valves • Starter (if applicable) • Thermostat • Evaporator and condenser.

✓ Aftertreatment system

Nitrogen oxide (NOx) sensors • urea injector • diesel particulate filter (DPF) • urea pump • urea tank • heating elements • urea line • soot particle sensor (PM sensor) • control unit • selective catalytic reduction (SCR) • exhaust gas recirculation (EGR) valve • exhaust gas recirculation (EGR) cooler • exhaust temperature sensor.

✓ High-Tech Systems

GPS navigation system including console panel • Touchscreen • USB and auxiliary ports • 12V and 110V power outlets • Wireless induction phone charger • Information center • Backup camera and sonar • Front sonar sensor • Collision warning sensor • Parking sensor (excluding paint) • Blind spot sensor • Keyless entry system module (excluding paint on handle) • Hands-free phone control (Bluetooth) • Microphone • Voice recognition and control command • DVD/Blu-Ray player • CD player and changer • GPS navigation system update and programming (if system assembly replacement is required and authorized) • Instrument cluster (gauges and dials).

✓ Chassis and Handling

Engine fan • Radiator (except corrosion) • Thermostat • Engine and transmission oil cooler (only if OEM or manufacturer-installed part) • Injectors and injection pump • Transmission and engine computer • Fuel pump • Oil and fuel lines • Rack and pinion • Steering gear box and motor • Power steering pump • Wheel bearing • Universal joint • Kingpin • Shock absorbers • Air suspension bags • Leaf springs • Steering arm ball joint • Drag link (pitman arm/idler arm linkage).

✓ Auxiliary Power Unit

APU (factory-installed by the manufacturer only) : Control switch and computer • Engine and internally lubricated components • Oil pump • Condenser • Condenser coils • Gears • Compressor • Evaporator • Injectors.

**WHY
CHOOSE
TRACK**

**Quality service
After-sales services
Peace of mind
Extensive service center network
Proven expertise**
